RACE AND GRAZE - A TASTE OF DUBLIN RACING FESTIVAL

Dublin Racing Festival is a highlight in the National Hunt racing calendar. It is not only a festival showcasing the best jump racing but also a celebration of the best in Dublin's entertainment and hospitality.

Unfortunately for this year, we cannot welcome you to Leopardstown as we normally would, however we can bring a flavour of Dublin to your home with our specially created Race & Graze taste selection which will be delivered directly to your door.

Sit back and enjoy an afternoon of action-packed racing with this delicious sharing menu that celebrates some of Dublin's most famous recipes and is accompanied by some of our favourite craft beers which are brewed right here in Ireland's capital.
